

TERMS AND CONDITIONS OF PURCHASE

The terms and conditions of purchase stated herein expressly govern the entire transaction of purchase between Millitech, Inc. ("Buyer") and Seller for the goods (the "Goods") and services (the "Services") described herein, and negate all prior negotiations, communications, representations and agreements between them as to the subject matter hereof.

1. ACCEPTANCE OF TERMS AND CONDITIONS:

Seller shall be deemed to have accepted the terms and conditions hereof upon the earliest to occur of: receipt by Buyer of a copy hereof executed by Seller; commencement of performance by Seller; delivery of all or any part of the Goods or the furnishing of any of the Services ordered by Buyer; the receipt by Buyer of an invoice from Seller for all or any part of the Goods or Services; or any acknowledgment or other conduct of Seller indicating acceptance. Any terms or conditions of any quotation, invoice or acknowledgment of purchase order or other document of Seller, whenever executed, which are inconsistent with the terms and conditions hereof, shall not be binding on Buyer and shall not be part of the agreement for the purchase of the Goods or Services, notwithstanding any provision to the contrary in any document of Seller. The terms and conditions herein are not subject to partial acceptance by Seller. Buyer may at any time correct its stenographic and clerical errors in its Purchase Order or in any other document in connection with the purchase of the Goods or Services. All specifications, drawings and data submitted to Seller herewith are incorporated herein and made a part hereof.

2. PRICE; PAYMENT; PACKING; SHIPMENT:

- a. Seller shall not bill Buyer at prices higher than those specified herein unless authorized by a change notice signed on behalf of Buyer by a duly authorized officer. Seller represents that the price charged is Seller's lowest price to buyers of a class similar to Buyer. Seller agrees that any price reduction in Goods or Services of the type covered by this order, subsequent to placement of this order, will be applied to this order. Unless otherwise specified herein, the prices include all charges for Seller's boxing, packing, crating, storage and handling and for cartage to the F.O.B. point.
- b. Unless otherwise specified herein, terms of payment shall be net cash 30 days after the later of receipt by Buyer or Seller's invoice, or receipt by Buyer of conforming Goods or Services and verification by Buyer of weight, quantity or grade of any such Goods. Buyer shall be entitled to any cash discount terms indicated on this Purchase Order or any invoice of Seller, or otherwise available to Seller's customers, and such cash discount period shall be calculated from the later of receipt by Buyer or Seller's invoice or of conforming Goods or Services. Rejections, delivery delays, and Seller's errors and omissions shall be cause for withholding payment, and Buyer shall not thereby lose any cash discount privilege.
- c. Seller shall make deliveries without charge for boxing, crating, carting, or storage unless otherwise specified herein. Seller shall suitably pack Goods to insure against damage from weather and transportation and to secure lowest transportation costs and to conform to the requirements of common carriers and any applicable specifications. Buyer may specify the routing of any shipment, but if not specified, Seller shall route shipments to achieve the lowest freight rate. Each notice of shipment shall be delivered to Buyer immediately upon shipment and shall reflect any car number and routing and any other shipment information requested by Buyer. Buyer shall have the right to direct shipments as required by its production, storage and sales. Buyer's order numbers and symbols must be plainly marked on all invoices, packages, bills of lading and shipping orders. Buyer's count or weight shall be final and conclusive on shipments not accompanied by a packing list.

3. DELIVERY:

Seller shall make deliveries at the times in the quantities specified herein, and Buyer, in addition to any other rights or remedies it may have, may refuse to accept delivery of all or any part of any delivery not made by the scheduled date. Buyer shall have no obligation to purchase any Goods or Services in excess of or different from those specified herein. All Goods shipped in excess of the quantity ordered may, at Buyer's sole discretion, be returned to Seller for full credit or held by Buyer for Seller's instructions as to disposal, in all events at Seller's risk and expense. Buyer's count shall be accepted as conclusive on any shipment not accompanied by a packing list. Seller shall not, without written consent of Buyer, make shipments in advance of schedule. Buyer may order expediting routing in place of scheduled routing, if necessary to meet schedule or recover time lost by failure to meet schedule, in which event any excess transportation costs shall be paid by Seller. Any parts rejected for damage or which are determined by Buyer to not meet the requirements of the drawing and/or specifications, will be returned to the Seller freight collect. Return shipments of repaired or replacement parts will be shipped to Buyer at Seller's cost via the method specified by Buyer. Buyer reserves the right to credit any excess shipping costs against Seller's account, unless expedited delivery is specifically approved via Purchase Order or Change Order. Buyer may postpone or cancel without penalty, delivery of any Goods or the provision of Services which are not shipped or provided at the time specified herein. Unless otherwise specified herein, Seller shall deliver Goods F.O.B. Buyer's plant. Seller shall bear the risk of loss until delivery at Buyer's place of business of conforming Goods.

4. COMMITMENTS:

Goods fabricated or Services committed beyond Buyer's releases are at Seller's risk.

5. INSPECTION; REJECTION:

Acceptance of any Goods shall not alter the warranties of Seller contained herein. Seller agrees that the Goods covered hereby shall, at Buyer's option, may be inspected at Seller's plant by a representative of Buyer and a representative of the prime contractor or the government if a government contract number appears on the face of this purchase order. If any of the Goods are found at any time to be defective in material or workmanship (including Goods damaged, due to unsatisfactory packaging by Seller) or otherwise not in strict conformity with the requirements of the order, including drawings and specifications and approved samples, if any, Buyer, in addition to any other rights which it may have under warranties or otherwise, may (a) reject and return such Goods at Seller's expense and receive full credit for any such rejected Goods, (b) upon written request require replacement of any such rejected Goods without additional cost to Buyer, and (c) retain and use the Goods with an equitable reduction in purchase price. Seller shall notify the buyer immediately if the seller discovers non-conforming product has been delivered to the buyer.

6. CHANGES:

Buyer may, at any time and from time to time, by written notice to Seller, make changes in drawings, specifications, quantities, delivery schedules and shipping instructions for any Goods or Services. If any such change increases or decreases the cost of performing this order or the time required for its performance, an equitable adjustment in prices or delivery schedules shall be made provided, however, that any claim by Seller for such adjustment, which shall be subject to acceptance by Buyer, shall be presented in writing to Buyer within 30 days from the date the change is ordered by Buyer.

7. WARRANTIES:

Seller warrants that all Goods delivered under this order will be "merchantable" as defined in the Uniform Commercial Code and free from defects in materials and workmanship (including damage due to unsatisfactory packing by Seller), that all Goods and Services will be strictly in accordance with Buyer's specifications, drawings and approved samples, if any, and to the extent that any Goods are not manufactured pursuant to detailed designs furnished by Buyer, that all such Goods will be free from defects in design and suitable for the intended purposes. Seller's warranties shall not be waived or otherwise affected by Buyer's approval of any samples or by Buyer's acceptance of or payment for any Goods or Services.

8. INDEMNIFICATIONS:

- a. Seller shall defend, hold harmless and indemnify Buyer, its successors, assigns, customers and other users of the Goods and Services from and against all liability, loss, damages and expenses including attorney's fees by reason of any and all claims and suits charging injury or charging injury or charging infringement or other misuse of any patent, trademark, copyright, trade secret or other proprietary right arising out of the sale or use of any Goods or Services furnished hereunder except that Seller shall have no liability with respect to patent infringement for Goods as to which Buyer furnishes complete specifications.

Seller further agrees to obtain and maintain during the life of this agreement at its expense appropriate liability insurance including, without limitation, product liability insurance, with a vendor's endorsement, in such form and amount and in such company or companies as may be approved by Buyer in writing. - d. Seller's warranties and indemnities herein shall not be deemed to be exclusive, and together with any other warranties and guaranties, including, without limitation, service warranties, shall survive Buyer's acceptance and payment for any of the Goods or Services and be in addition to any other warranty, indemnity or remedy given to Buyer by Seller or available to Buyer under law. Any attempt by Seller to limit its liability under, or to restrict the application of, its warranties or indemnities herein or provided by the law shall be of no effect.
